17th May,2021

Dear parents and students,

We are happy to allot the stream for class XI of your ward according to the marks they secured in offline Pre-Board of Class X. There are some students who are not allotted stream as per their choice of subject due to less marks in Pre-board or absent during pre-boards. But school has suggested alternative stream of subject for those who have not qualified the criteria which was again revised by the team.

If you have any query/grievances kindly write to Mr.Dewan (Supervisor) in his mail id or call on his mobile number before 19thMay,2021. After 19thMay,2021 no request or grievance will be entertained.

Students those who are selected or given the alternative subject stream should make the online payment through school website i.e www.montfortschooldelhi.in/ Edunext app of their fee from 24thMay,2021 to 28th May,2021 that will be considered as a confirmation for their taking admission in the same stream in school and those who have not completed their formalities till 28th May,2021 it will be presumed that they are not interested in continuing in Montfort and the remaining seats will be allotted to others.

With best wishes.
