Dear Parents/Guardians,

Greetings from Montfort School Delhi.

This is bring to your kind notice that as per the various detailed judgment by the Hon'ble High Court, the schools are allowed to charge the tuition fee, development fee and annual fee for the year 2021-22 and allowed to collect annual fee and development fee of 2020-21 with 15 % discount.

The school management of Montfort School, Ashok Vihar stands by the decision and has decided not to collect the Development fee and annual fee for the year 2020-2021 and of 2021-2022 up to September 2021.

However, the school management decided to collect the annual fee and development fee for the period **from 01.10.2021 to 31.03.2022** along with tuition fee for the year 2021-22 in order to meet the day to day expense of the school. Accordingly, the fees have been updated in the Edunext portal.

We seek your wholehearted cooperation in this regard.

Yours Sincerely
